Gary,

I have uploaded all of the information for the Crandall Canyon Mine from the pipeline into the database.
A report is attached.

As a reminder, according to parameters set by the assigned hydrologist, you are still missing samples for
DH-1, MW-1, and UT0024368-001.

Please let me know if you have any questions.

Thank you,

Dana Dean, P.E.

Erik has just informed me that the data is in the pipeline and can be
downloaded.
